Together for older people

Sharing time changes lives!

Are you older, lonely or housebound?

For over 75 years Royal Voluntary Service (formerly WRVS) has been supporting older people. Our volunteers provide a variety of support that help an older person remain independent and stay connected with their families and communities:

- provide transport (including transport home from hospital)
- companionship, both individual and on ward
- help with shopping
- home library service

If you need a little support or know someone who does, please contact us or perhaps you would be interested in joining our volunteers and providing one of these services for an older person.
